

Hurricane Katrina ...

Over 80 members of the MDRS families suffered losses, 6 with total loss of property. Four days after Katrina made landfall members of the MDRS staff traveled to the Gulf Coast with food, water, supplies and equipment.

One of our main concerns after the storm was to locate our staff and clients to assist in meeting their needs.

MDRS staff helped with debris removal and repairs for our MDRS families and clients.

Our federal partner visited Mississippi and the Gulf Coast area to meet with MDRS staff.

The MDRS family spearheaded a fundraiser for our fellow employees who suffered losses. Our initial goal was \$10,000. Thanks to the generosity of our staff and our VR families from other states, \$20,000 was raised.
