

Alabama Trauma Systems
Required Forms

American College of Surgeons (ACS) verified trauma centers: Complete a Trauma System Application (original signatures required). Submit the application and your ACS verification to the Office of EMS (see below).

All other hospitals complete and return the following forms and support documentation to the Office of Emergency Medical Services for entry/continuation in the Alabama Trauma System 30 days prior to the site visit:

- Trauma System Application (original signatures required)
- Trauma Center Designation Criteria Checklist for level applying
- Pre-Review Questionnaire
- A copy of your facility's Trauma Treatment Protocol
- Documentation of continuing education for physicians and staff providing Trauma care as required on Designation Criteria List or Trauma CE/CME Attestation Form
- Trauma Support Letter
- A list of Trauma team members and copies of certification, if applicable
- A copy of your facility's Performance Improvement Policy (Listed on Pre-Review Questionnaire)
- Trauma/Trauma System Hardware Installation Readiness Form and Contact List

Return completed forms to:

Alabama Department of Public Health

Office of EMS
