EHR
Electronic Health Records Bulletin

OCTOBER 2022

UPDATES

What's New? ⬤ Try the new 10g layout

All users are strongly encouraged to use the new layout in CureMD. To use the new feature, click the toggle button next to "What's New" at the top of the bar. Users can switch between old and enhanced 10g layout by turning 'On' and 'Off' the toggle button. In the new layout, the main items are repositioned to the left-hand side of the screen in a single vertical view containing all the modules, listings, and customization options.

HAPPY HALLOWEEN

REMINDERS

❖ All nurses and providers are encouraged to enable SMART PHRASES IN CUREMD

❖ All users are to use the Cure Mock [CureMD] to test Referrals, Beta View and Treatment Plan

❖ DO NOT transfer medication(s) unless you have prior approval from the 340B Program Manager

❖ If a patient record needs to be modified/unsigned/deleted, please email your request to your district director before contacting the EHR team

❖ Contact EHR with CureMD issues

Your major line of communication with EHR and CureMD

Workflow to Enable Smart Phrases

Complete the following steps to enable the task

❖ From the Personal Dashboard ->My preferences ->Patient. The "My Preferences-Patient" displays. Under Provider Notes, check Smart Phrases-> Save
❖ Email EHR/DPH for instructions on how to access Referrals, Beta View, and Treatment plan in Mock database

When to Contact the Help Desk

☐ Problems logging onto computers or laptops

☐ Issues when accessing CureMD and Crossroads at the same time

Contact Cornelius Smith (IT) at the Help Desk at 334-206-2568
