

Alabama Department of Public Health presents

Community Conversations

ALABAMA
PUBLIC
HEALTH

The Birmingham Community

Save the Date! The Alabama Department of Public Health (ADPH) invites partners, non-profit agencies, and community members to discuss health concerns facing Alabamians. These conversations will be added to the State Health Assessment used to improve the efforts of delivering health throughout the state.

When: October 4, 2023 **Time:** 3:00 - 4:30 p.m.

Where: 1400 6th Avenue South, Birmingham, AL 35233
(1st floor conference room)

RSVP: redcap.link/convo

Why participate?

- You may contribute valuable information that may help improve health conditions in your community.
- You may identify different levels of access to health resources, parks, and support systems that are important to you.
- You may learn what others in your community feel are important health concerns and what is already being done.
- You will receive some free items.
- Snacks will be provided.
