Subject: 2023-2024 Immunization School Entry Survey

Dear Principal or Headmaster:

The Alabama Department of Public Health (ADPH), Immunization Division, annually surveys all public and private schools to ensure all students are compliant with the Alabama School Immunization Law § 16-30-4; <http://www.adph.org/Immunization/assets/SchoolImmLaw.pdf>. All public and private students are required to have an up-to-date ADPH-approved Certificate of Immunization (COI) printed from Immunization Patient Resources with Integrated Technology (ImmPRINT).

School-required vaccines prevent the following diseases: diphtheria, pertussis, tetanus, polio, measles, mumps, rubella, and varicella. This survey identifies students who need additional vaccines, or documentation of vaccines, and to assist schools in their effort to comply with statutory requirements.

Please login to ImmPRINT and run the CDC COI Action report to ensure the information in ImmPRINT is correct before the survey due date. If your school is enrolled in ImmPRINT and all students are assigned, either manually or automatically via ALSDE file, there is no requirement to complete the survey. For those schools who are **not** enrolled in ImmPRINT, please go to the following link to enroll: **Initial Site Enrollment Agreement** <https://siis.state.al.us/ImmPRINT>

Your site will go through an approval process, and you will be contacted by an Immunization Compliance Team Member from our field staff. This Immunization School Entry Survey should be completed by December 15, 2023.

If you have any questions about the immunization requirements, and/or ImmPRINT, please contact your Immunization Compliance Team Member on the List enclosed. For your convenience, we have enclosed the instructions to complete the Immunization School Survey through ImmPRINT and a sample parent letter.

Thank you for your assistance in completing Alabama's 2023-2024 Immunization School Entry Survey.

Sincerely,

Denise Strickland
Director, Immunization Division
DS/FZ

The State of Alabama School Law, §16-30-4, requires all students entering public or private school to present an up-to-date Alabama Certificate of Immunization (COI), an Alabama Certificate of Religious Exemption, or an Alabama Certificate of Medical Exemption for specific vaccine preventable diseases.

While conducting the annual School Entry Survey, it was discovered that your child lacked the item(s) marked below. Please bring documentation of updated immunization history.

If you have any questions or need additional information concerning required vaccines or certificates, please call your physician or county health department.

Thank you for your cooperation.

Sincerely,

Instructions for Completing the 2023-2024 School Entry Immunization Survey through ImmPRINT

[Immunization Patient Registry with Integrated Technology \(ImmPRINT\)](#) is a statewide population-based information system for all children and adults born in Alabama since January 1, 1993. We are encouraging enrollment to ImmPRINT for all schools, both public and private, within the state of Alabama. There are many benefits to enrolling in ImmPRINT. These benefits include printing only ADPH approved Certificate of Immunizations, using the Vaccine Forecaster to ensure the best medical decision for vaccinations, running Vaccine Coverage Rate Reports for your school, and increasing the overall health of your school community by increasing vaccination rates among students.

Please visit our webpage at the following link for additional information:

<https://www.alabamapublichealth.gov/immunization/immprint.html>. Once you have reviewed the webpage, please enroll online so that you can become a part of increasing vaccination rates for your school. We have District staff members that will train you and answer your questions when needed.

To enroll in ImmPRINT, please go online: <https://siis.state.al.us/ImmPRINT/login/login.aspx>. Complete the Initial Site Enrollment Agreement.
