

Alabama Stroke System
Required Forms

The Joint Commission (TJC) or DNV (Det Norske Veritas) certified centers or equivalent:
Complete a Stroke System Application (original signatures required). Submit the application and your stroke certificate to the Office of Emergency Medical Services (OEMS) (see below).

All other hospitals complete and return the following forms and support documentation to the OEMS for entry/continuation in the Alabama Stroke System 30 days prior to the site visit:

Please complete and return the forms listed below and provide the requested information to the OEMS **one month prior to site visit:**

- Stroke System Application
- Stroke Center Designation Criteria Checklist
- Pre-Review Questionnaire
- Trauma/Stroke System Hardware Installation Readiness Form and Contact List
- A copy of your facility's Stroke Treatment Protocol
- A list of stroke team members and copies of certification
- A copy of your facilities Performance Improvement Policy
- A copy of your National Certificate, if applicable
- Signed Neuro Support Statement

Return completed forms to:

Alabama Department of Public Health

Office of EMS
