8/12/2013

Drake State Community and Technical College (the College) is committed to providing a safe and healthy environment for its employees, students and visitors. The College recognizes the right of persons to make their own decisions about their personal use of tobacco products away from the College. However, in light of findings of the U.S. Surgeon General that exposure to secondhand tobacco smoke and use of tobacco products are significant health hazards, and that prevention of involuntary exposure to secondhand smoke by making homes, workplaces, and public places completely smoke-free is recommended (US Surgeon General Report, 2006), it is the intent of the College to establish a tobacco-free environment on its campus and in its vehicles. Consequently, the use, distribution, or sale of tobacco products, including the carrying of any lighted smoking instrument, in College buildings or in or upon other College premises or inside College-owned, rented or leased vehicles, is prohibited.

For the purposes of this policy, a "tobacco product" is defined to include any lighted or unlighted cigarette, cigar, pipe, bidi, clove cigarette, and any other smoking product, as well as smokeless or spit tobacco, also known as dip, chew, snuff or snus, in any form.

All Drake State employees, students, visitors and contractors are required to comply with this policy, which shall remain in force at all times. Any College employee or student found to be in violation of the tobacco-free policy will be subject to a monetary fine. Any visitor or contractor found to be violating this policy shall be asked to discontinue the disallowed activity and any failure by a visitor or contractor to discontinue the disallowed activity after being requested to do so shall result in the visitor or contractor being escorted off the college premises by campus security.

advertising or sponsorship shall be permitted on College property or at college-sponsored events. No tobacco-related advertising or sponsorship shall appear in any publications produced by the College or by any club or association authorized by Drake State.
