

**Table 3: Summary of Requirements for Foodservice Employees Diagnosed with Resolved Symptoms**

Foodservice employees must report a Big 5 disease diagnosis immediately to the manager.				
The manager must notify ADPH when a foodservice employee reports a Big 5 disease diagnosis.				
The manager must exclude the foodservice employee who reports a Big 5 disease diagnosis until meeting the criteria for reinstatement.				
Pathogen Diagnosis	Facilities Serving an HSP	Facilities Not Serving an HSP	Removing Diagnosed Foodservice employees with Resolved Symptoms from Exclusion or Restriction	ADPH Approval Required Return to Work?
<i>E. coli</i> O157:H7/ STEC	Exclude	Restrict	<p>1. Serving a non-HSP facility, only work on a restricted basis 24 hours after symptoms resolve and remains restricted until meeting the requirements listed below:</p> <p>2. Serving an HSP facility, excluded until meeting the requirements listed below:</p> <ul style="list-style-type: none"> <li>• Approval is obtained from ADPH</li> <li>• Medically cleared</li> <li>• More than 7 calendar days have passed since the foodservice employee became asymptomatic</li> </ul>	<p>Yes, if a HSP facility or to return unrestricted.</p> <p>No, if a non-HSP facility and return restricted.</p>
Hepatitis A virus	Exclude, if within 14 days of any symptom, or within 7 days of jaundice	Exclude, if within 14 days of any symptom, or within 7 days of jaundice	When approval is obtained from ADPH, and employee has been jaundiced for more than 7 calendar days, had symptoms for more than 14 days, or provides medical documentation.	Yes
Norovirus	Exclude	Restrict	<p>1. Serving a non-HSP facility, only work on a restricted basis 24 hours after symptoms resolve and remains restricted until meeting the requirements listed below:</p> <p>2. Serving an HSP facility, excluded until meeting the</p>	<p>Yes, if a HSP facility or to return unrestricted.</p> <p>No, if a</p>

			requirements listed below: <ul style="list-style-type: none"> <li>• Approval is obtained from ADPH</li> <li>• Medically cleared</li> <li>• More than 48 hours have passed since the foodservice employee became asymptomatic</li> </ul>	non-HSP facility and return restricted.
<i>Salmonella</i> including previous illness with <i>Salmonella</i>	Exclude	Exclude	When approval is obtained from ADPH and: <ul style="list-style-type: none"> <li>• Foodservice employee provides medical documentation that states the employee is free of an <i>Salmonella</i></li> </ul>	Yes
<i>Shigella</i>	Exclude	Restrict	1. Serving a non-HSP facility, only work on a restricted basis 24 hours after symptoms resolve and remains restricted until meeting the requirements listed below: 2. Serving an HSP facility, excluded until meeting the requirements listed below: <ul style="list-style-type: none"> <li>• Approval is obtained from ADPH</li> <li>• Medically cleared</li> <li>• More than 7 calendar days have passed since the foodservice employee became asymptomatic</li> </ul>	Yes, if a HSP facility or to return unrestricted.  No, if a non-HSP facility and return restricted.
