

STATE EMPLOYEE INJURY COMPENSATION TRUST FUND (SEICTF) TRAINING

Satellite Conference and Live Webcast
Tuesday, February 7, 2012, 9:00-10:00 a.m. (Central Time)

The Alabama State Employee Injury Compensation Trust Fund (SEICTF) provides work injury benefits for state employees injured while performing their assigned work duties. Medical benefits are provided at no cost to the injured worker, and medical treatment is coordinated through SEICTF's Preferred Provider Network. Compensation benefits are available to reimburse an injured employee for his lost work hours, as well as PPD, vocational, and death benefits when applicable. The injured worker, his supervisor, and SEICTF work together so that the employee is ultimately returned to work in his pre-injury position whenever possible. This training will explain the role of the SEICTF personnel, as well as the injured employee and his supervisor.
