

# Human Papilloma Virus, FHS Protocol Update, and Adolescent Interviewing

## SATELLITE CONFERENCE AND LIVE WEBCAST

Thursday, February 25, 2010 2:00-4:00 p.m. (Central Time)  
3:00-5:00 p.m. (Eastern) • 1:00-3:00 p.m. (Mountain) • 12:00-2:00 p.m. (Pacific)

Program faculty from the Alabama Department of Public Health will provide information about the Human Papillomavirus (HPV) and the new Pap smear guidelines adopted by the American College of Obstetricians and Gynecologists. We will review recent Alabama Department of Public Health protocol updates and learn techniques to effectively interview the adolescent client.

### PROGRAM OBJECTIVES

1. Describe new Pap smear screening guidelines developed by the American College of Obstetricians and Gynecologists.
2. Discuss how HPV relates to cervical cancer.
3. Identify the latest Alabama Department of Public Health Family Planning protocol updates.
4. Describe effective interviewing techniques for the adolescent client.

*The content of this program is based on the policies and procedures of the Alabama Department of Public Health, Alabama and federal statutes, rules, regulations, and guidelines. Viewers not employed by the ADPH should always check to clarify whether the content is accurate according to the statutes, regulations, and policies of their jurisdiction and agency.*

*The Alabama Department of Public Health is an approved provider of continuing education by the Alabama State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (Expires on January 28, 2011.)*
