

**Instructions for obtaining a CME certificate:**

A registration form needs to be formatted where individuals enter their degree and contact information (address and fax number). The form can be mailed directly to the UAB CME office with a personal check for \$25 made payable to UAB Division of CME. The Office's preference is to fax certificates, but the Office will mail the certificates to individuals who do not have fax numbers.

Mailing address:      UAB Division of CME  
                                 1670 University Blvd.  
                                 Volker Hall L200  
                                 Birmingham, AL 35294
