

A Personalized Approach to Pediatric Asthma Management

Satellite Conference and Live Webcast
Thursday, May 11, 2017
12:00 – 1:00 p.m. Central Time

Faculty:

Isabel Virella-Lowell, MD
Associate Professor of Pediatrics
University of Alabama at Birmingham
Children's of Alabama#
#

Objectives:

1. Review basics of pediatric asthma management.
2. Review barriers that may prevent successful management of pediatric asthma using a standard approach.
3. Review factors to consider when modifying a pediatric asthma management plan, with an emphasis on family-professional partnership.
4. Provide three examples of individualized asthma management plans using case-based examples.
