

Sexual Health and the Sexual History: Asking the Tough Questions

Satellite Conference and Live Webcast

Thursday, June 7, 2012 12:00-1:30 p.m. (Central Time)

1:00-2:30 p.m. (Eastern) • 11:00 a.m.-12:30 p.m. (Mountain) • 10:00-11:30 a.m. (Pacific)

Obtaining an accurate and in-depth sexual history is difficult in clinical practice. However, sexual health is central to the patient's physical, mental, and emotional well-being. Program faculty will discuss the rationale for taking a sexual history and provide skills to efficiently and effectively help you communicate with your patients about their sexuality, sexual behavior, and sexual health risk.

PROGRAM OBJECTIVES

1. Discuss the rationale for obtaining a good sexual history.
2. Identify the key components of the sexual history.
3. Practice techniques that foster patient trust and communication.
4. Ask effective questions related to sexual health.

FACULTY

Nick Van Wagoner, MD, PhD
Assistant Professor
Division of Infectious Diseases
University of Alabama at Birmingham

CONFERENCE DETAILS:

Target Audience: Nurses, social workers, clinicians, educators, and other professionals who work in specialty clinics like family planning and STD
