

INTERSECTION OF STIGMA AND FEAR: LIVING WITH HIV IN THE AGE OF COVID-19

Satellite Conference and Live Webcast

Wednesday, July 8, 2020; 9:00-10:30 a.m. (Central Time)
10:00-11:30 a.m. (Eastern) ■ 8:00-9:30 a.m. (Mountain) ■ 7:00-8:30 a.m. (Pacific)

This program is designed to help providers working with persons living with HIV and at risk for HIV to identify how issues of pre-existing stigma may make coping in the age of COVID-19 more challenging. Focus will be on connecting stigma and accessing and remaining in health care and ways to heal from stigma.

FACULTY:

James L. Sacco, MSW
Consultant

Jim Sacco, M.S.W., L.C.S.W. is a consultant and trainer based in Ashville, North Carolina. He has more than 20 years collaboration with ADPH on a wide range of HIV, women's health, and chronic disease prevention strategies. His former clients include the World Health Organization, the Centers for Disease Control and Prevention, Duke University, Emory University, and state and local health departments across the Southeast. Jim has trained more than 50,000 health care workers since 1986.

Region IV Public Health
Training Center

PROGRAM OBJECTIVES:

1. List at least four stressors unique to individuals with HIV in the age of COVID-19.
2. Identify at least three emotional issues that are a result of experiencing stigma.
3. List at least three impacts of stigma on health care and health seeking.
4. Name at least four strategies to address needs of persons with HIV in the age of COVID-19.

CONFERENCE DETAILS:

Target Audience: Nurses, Social Workers, Clinicians, Health Educators, and others that work in a healthcare setting

Continuing Education: Nurses 1.5 hours and Social Workers 1.5 hours

**Non-ADPH employees are charged a fee to receive CE Certificates.*
