

Home Visit Safety in the Age of COVID-19

Satellite Conference and Live Webcast

Thursday, July 29, 2021; 10:00-11:00 a.m. (Central Time)

11:00 a.m.-12:00 p.m. (Eastern) • 9:00-10:00 a.m. (Mountain) • 8:00-9:00 a.m. (Pacific)

Statistics show that crime rates are rising in most cities and even in sparsely populated areas. There is also a work force shortage with many professionals unwilling to make home visits due to safety concerns related to crime, COVID-19, and safety concerns. This training will address ways to improve home visit safety and lower the risk of becoming injured while making home visits.

Faculty:

Rena Carpenter, LICSW, PIP

Social Work Clinical Coordinator
Alabama Tombigbee Regional Commission

Region IV Public Health
Training Center

William Kennedy, LICSW

State Social Work Director
Alabama Department of Public Health

Program Objectives:

1. Participants will be able to list 2 things they should do in preparation for a home visit.
2. Participants will be able to list 3 things they should (or should not) wear on a home visit.
3. Participants will be able to list 3 safety measures to take while in the home to mitigate their risk of danger during a home visit.
4. Participants will know 3 precautions to take while making home visits during severe weather.
5. Participants will know 3 precautions to prevent the spread of COVID-19.
