

# Engaging and Educating Parents on Safe Sleep and Car Safety for their Young Children

## Satellite Conference and Live Webcast

**Friday, August 28, 2020, 1:00-2:00 p.m. (Central Time)**

2:00-3:00 p.m. (Eastern) ■ 12:00-1:00 p.m. (Mountain) ■ 11:00 a.m.-12:00 p.m. (Pacific)

*This training focuses on getting best practice information to parents of young children and ways to address resistance. The speakers will discuss the benefits and proper use of car seats; the components of safe sleep practices for babies, and appropriate ways to talk to parents who have lost an infant to SIDS/SUIDS.*

## FACULTY

### **Michelle Marty**

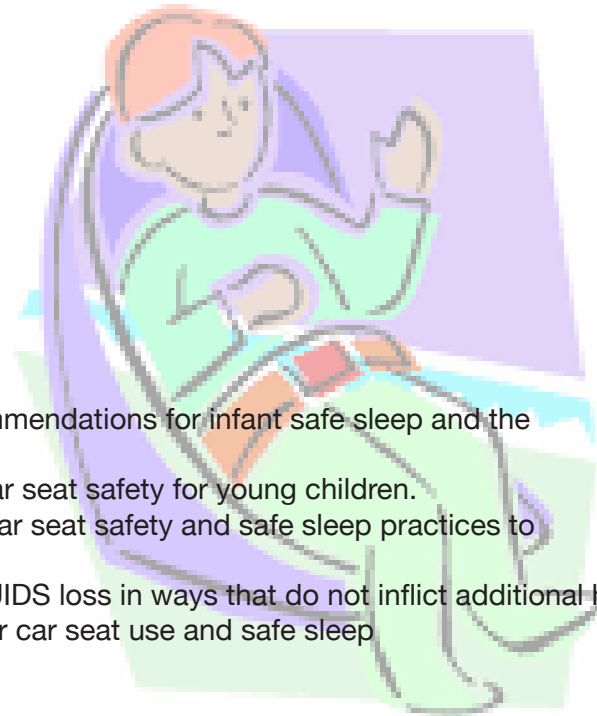

Healthy Families Program Manager  
National Children's Advocacy Center

### **Tara Bah**

Healthy Families Home Visitor  
National Children's Advocacy Center

## PROGRAM OBJECTIVES

1. Identify the American Academy of Pediatrics recommendations for infant safe sleep and the risks/dangers of unsafe sleep practices.
2. Describe the best practice recommendations for car seat safety for young children.
3. Access effective and family-friendly resources on car seat safety and safe sleep practices to share with parents and caregivers.
4. Talk with parents who have experienced a SIDS/SUIDS loss in ways that do not inflict additional harm.
5. Respond to resistance in parents and caregivers for car seat use and safe sleep (including co-sleeping) recommendations.
