

Family Advocacy and Involvement in Title V Programs

Satellite Conference and Live Webcast

Friday, December 2, 2011

12:00-1:30 p.m. (Central Time)

1:00-2:30 p.m. (Eastern) • 11:00 a.m.-12:30 p.m. (Mountain) • 10:00-11:30 a.m. (Pacific)

Collaboration between Title V Maternal and Child Health Programs and family leaders provides a “win-win” opportunity to leverage programmatic expertise with families as an action arm for advocacy. Program faculty will discuss appropriate roles for family advocates and describe the nuts and bolts structure and organization for how Title V programs can meaningfully operationalize their involvement. Faculty will also include a discussion of the skills and training family advocates need to be successful as well as examples of successful models for partnership between family advocates and Title V Maternal and Child Health Programs.

SOUTH CENTRAL
PUBLIC HEALTH
Training
Center

PROGRAM OBJECTIVES

1. Describe the benefits of partnering with families, including advocacy for Title V programs, and supporting maternal and child health policy.
2. Discuss appropriate roles for family advocates and how Title V programs can operationalize their involvement.
3. Discuss what skills and training family advocates need to be successful in partnership with Title V programs.
4. Provide examples of successful models for partnership between family advocates and Title V Maternal and Child Health Programs.

FACULTY

Rylin Rodgers, BA
State Coordinator
Family Voices Indiana
Family Discipline Coordinator
Riley Child Development Center
