

Reproductive Plans Questionnaire
Grady Interpregnancy Care Project
Study #G2103

Question 1. How do you feel about having a child in the future?

- I don't want to have one
- I'm not sure if I want to have one
- I do want to have one

If you do want to have one, how soon would you want to have a baby?

- As soon as possible, or within 1 year
- In 1 to 2 years
- In 3 to 5 years
- More than 5 years

Question 2. Are you or your partner doing anything now to keep you from getting pregnant?

Some things people do to keep from getting pregnant include not having sex at certain times, using birth control methods such as the pill, Norplant, shots or Depo-provera, condoms, diaphragm, foam, IUD, having their tubes tied, or having a vasectomy.

- No partner right now (not sexually active now)
- Don't know

Yes

No

You are done. Thank you!
