

# ALABAMA DEPARTMENT OF PUBLIC HEALTH BILLING FOR VACCINATIONS

Satellite Conference and Live Webcast  
Monday, September 24, 2012, 3:00-4:00 p.m. (Central Time)

*As the department moves towards billing for vaccinations administered in county health departments, removing immunization services off the current encounter form is necessary. Three new encounter forms have been developed to handle the newly required data elements to bill insurance companies. Program faculty will discuss how the information on these forms and changes coming in PHALCON will allow the department to bill insurance companies for vaccinations.*
