

Nursing CEU Statement and Instructions

As of January 1, 2010, the Alabama Department of Public Health is no longer an approved provider of nursing continuing education through the Alabama Board of Nursing. The department still retains privileges for offering CE from the Alabama State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

ADPH will no longer upload contact hours to ABN, this is now the responsibility of the nurse.

Nurses should make sure they have a copy of the CE certificate for this program as proof of attendance and to upload contact hours to ABN. For Alabama Department of Public Health Nurses, the certificate will be provided by your site facilitator. Nurses who are not ADPH employees, should follow the mailing information on the sign-in sheet and evaluation. CE certificates will be mailed 4-6 weeks following the receipt of these forms.

Contact hours for a program expire 2 years from the date of the original broadcast date.
