PRESCRIPTION DRUG ABUSE & MISUSE IS A PROBLEM.

See YOURSELF as part of the solution.

70% OF PEOPLE WHO USE OR MISUSE PRESCRIPTION DRUGS GET THEM FROM A FRIEND OR RELATIVE.

ARE YOU PART OF THE PROBLEM OR THE SOLUTION?
• Do not share your prescription drugs with friends, family or coworkers.
• Keep a personal record of all medications that you take.
• Follow practitioner’s orders for taking medications.
• Dispose of left over prescriptions properly.
