How to Find Your Designation Status:

1. Go to www.hpsafind.hrsa.gov
2. Select “HPSA & MUA/P by Address” from the left panel
3. Enter the complete practice address
4. The results page will display the designation status for Primary Care, Mental Health, Dental Care, and Medically Underserved Area/Population. For each section, you will also see:
   a. HPSA/Service Area Name
   b. HPSA or MUA/P ID
   c. HPSA Status
   d. HPSA Score
   e. Designation Date (first designation)
   f. Designation Last Updated Date
5. The final section will provide geographical information including:
   a. State Name
   b. County Name
   c. County Subdivision Name
   d. Census Tract Number
   e. Zip Code
   f. Post Office Name
   g. Congressional District Name
   h. Congressional District Representative Name
