

Want another peek at baby?

The Virginia College Diagnostic Medical Sonography program is offering FREE traditional OB ultrasounds to pregnant women.

Women 16-28 weeks pregnant are eligible for a traditional OB ultrasound. Women 24-30 weeks pregnant, who are returning clients, may opt for a 3D sonogram.

Here's how to participate:

- Call 205-802-1200 Ext.1203 to make an appointment
- Obtain written permission from your attending physician
- Fulfill your appointment at 488 Palisades Blvd., Birmingham, AL 35209
- Purchase images with cash only: \$7 for 2, \$12 for 4 or \$5 each for 3D

The DMS Program is accredited by the Commission on Accreditation of Allied Health Education Programs. Obstetric Sonograms offered at Virginia College are performed by DMS students and are for educational purposes only. These studies are not intended to replace prenatal care or to be used diagnostically. No one under the age of 18 will be allowed in the ultrasound lab.
