

Unexplained Pediatric Deaths: Investigation, Certification, and Family Needs: Procedural guidance and key considerations developed by the National Association of Medical Examiner's Panel on Sudden Unexpected Death in Pediatrics

Satellite Conference and Live Webcast

Friday, September 4, 2020, 1:00-2:00 p.m. (Central Time)

2:00-3:00 p.m. (Eastern) ■ 12:00-1:00 p.m. (Mountain) ■ 11:00 a.m.-12:00 p.m. (Pacific)

The training focuses on the medicolegal investigation of sudden, unexpected pediatric deaths, focusing on those deaths which remain incompletely understood or entirely unexplained. It discusses the evolution of our understanding and practice in the area of sudden, unexpected pediatric death investigation. Procedural guidance for investigation, certification and reporting, and key considerations for prevention and working with family members and other professional team members are provided.

FACULTY

Brandi McClesky, M.D

Forensic Pathologist -
Jefferson County Coroner's/Medical Examiner's Office
Assistant Professor -
University of Alabama at Birmingham Department of Pathology

PROGRAM OBJECTIVES

1. Understand what constitutes an unexplained pediatric death.
2. Apply investigative and certification guidelines to their medicolegal death investigation practice.
3. Recognize value of standardized certification practices and the impact on vital statistics and public health.
