2024 LOWNDES COUNTY J HEALTH DEPARTMENT

YEARS OF ALABAMA PUBLIC HEALTH

Provides caring, quality services that affect every person in Lowndes County—not just those who walk through health department doors.

The Bureau of Clinical Laboratories provides quality laboratory results

for the following programs: maternity, family planning, child health, STD, tuberculosis control, diabetes, HIV/AIDS, newborn screening and environmental services.

Alabama's Children's Health Insurance Program

increases access to care for eligible, uninsured children ages birth through 18, and served 354 Lowndes County children in the month of October 2024.

WIC provides nutrition assessment, education, and nutritious foods at no cost to a monthly average of 306 limitedincome pregnant, breastfeeding, and postpartum women, infants, and children up

to age 5 at nutritional

risk in Lowndes County.

Licensed public health social

workers provide case management/care coordination for family planning, newborn screening disorders, elevated lead levels, home health and other services.

Issued 89 new or repair permits to regulate and permit onsite sewage disposal systems and oversee treatment and

oversee treatment and disposal of septage and other permitted wastes.

Prevents the occurrence and spread of rabies

within the human and animal population of Lowndes County by investigating reports of 4 exposures to animal bites.

Provided confidential testing, treatment,

counseling, partner referral, and epidemiologic investigations for most sexually transmitted diseases in 861 support nurse visits.

Confidential and professional family planning services

were provided to Lowndes County residents. A wide range of services is available regardless of income to prevent unintended pregnancies through education and contraceptive services.

Offers a tobacco Quitline free to Alabama residents.

Free call, free coaching, and free nicotine patches (if medically eligible and in coaching) to help tobacco users quit. Call 1-800-QUIT NOW or go to Quitnowalabama.com

Provides breast and cervical cancer screening

to uninsured women age 40-64.

Newborn screening

detects genetic or metabolic conditions, thereby reducing morbidity, premature death, intellectual and other developmental disability through early detection and follow-up.

Regulates the

possession, use and disposal of radioactive materials and equipment, and administeres a radon and naturally occurring radioactive materials program.

Responds to storms, floods, disease outbreaks, nuclear power plant accidents, and

accidents, and other emergencies. Employees provide training, coordination, and response to disasters and partner with local first responders for health, medical, and social services.

Assists rural and medically underserved areas

by working with health care providers and organizations to prepare grants and provide workforce development.

Protects patients/ residents of health care facilities from

abuse and neglect.
Works to ensure facilities comply with state and federal standards.
Requires corrective action when surveys find facilities are noncompliant. Assures that emergency medical services meet or exceed established standards.

laboratory services for
those with known or
suspected TB disease
and their contacts.

The Alabama Department of Public Health (ADPH) works closely with your community to protect the public's health through emergency preparedness activities, health care coalitions, training, and response.

The mission of the ADPH is to promote, protect, and improve the health of individuals and communities in Alabama, and has served Lowndes County since 1928. Our purpose is to provide caring, high quality, and professional services for the improvement and protection of the public's health through disease prevention and the assurance of public health services to resident and transient populations of the state regardless of social circumstances or the ability to pay.

All services from the ADPH are provided to eligible persons without regard to race, color, creed, national origin, political beliefs, handicaps, or sex. Payment for services varies. No one will be denied services if unable to pay.
