ECONOMIC IMPACT STATEMENT
FOR APA RULE
(Section 4122-23(f))

Control No.: 420 Department or Agency: Public Health

Rule No.: Number 420-1-5.-08

Rule Title State Level Fees

New Amend Repeal Adopt by Reference

This rule has no economic impact.

This rule has an economic impact, as explained below:

1. NEED/EXPECTED BENEFIT OF RULE:

The purpose of this rule is to establish a statewide fee schedule for testing provided at the Department's Bureau of Clinical Laboratories ("BCL").

2. COSTS/BENEFITS OF RULE AND WHY RULE IS THE MOST EFFECTIVE, EFFICIENT, AND FEASIBLE MEANS FOR ALLOCATING RESOURCES AND ACHIEVING THE STATED PURPOSE:

This rule is required because of legislation from the 2019 Legislative Session. § 22-11A-42, Ala. Code 1975 requires the Department to establish a fee schedule.

3. EFFECT OF THIS RULE ON COMPETITION:

The fee schedule would make BCL more competitive with private laboratories.

4. EFFECT OF THIS RULE ON COST-OF-LIVING AND DOING BUSINESS IN THE GEOGRAPHICAL AREA WHERE THE RULE IS TO BE IMPLEMENTED:

Not applicable. In past Medicaid was billed for services performed; however, BCL will begin billing insurance companies.

5. EFFECT OF THIS RULE ON EMPLOYMENT IN THE GEOGRAPHICAL AREA WHERE THE RULE IS TO BE IMPLEMENTED:

There should be no impact on employment.

6. SOURCE OF REVENUE TO BE USED FOR IMPLEMENTING AND ENFORCING THIS RULE:

Not applicable.

7. THE SHORT-TERM/LONG-TERM ECONOMIC IMPACT OF THIS RULE ON AFFECTED PERSONS, INCLUDING ANALYSIS OF PERSONS WHO WILL BEAR THE COSTS AND THOSE WHO WILL BENEFIT FROM THE RULE:

Medicaid and insurance companies will bear the cost. Insurance companies will have a long-term economic impact since they were not previously billed for BCL's services.

8. UNCERTAINTIES ASSOCIATED WITH THE ESTIMATED BENEFITS AND BURDENS OF THE RULE, INCLUDING ANALYSIS OF PERSONS WHO WILL BEAR THE COSTS AND THOSE WHO WILL BENEFIT FROM THE RULE:

There may be resistance from insurance companies based on this new change and BCL would be limited to collect the amount insurance companies can reimburse.

9. THE EFFECT OF THIS RULE ON THE ENVIRONMENT AND PUBLIC HEALTH:

This rule will have no impact on the environment and will have a positive impact on public health by allowing BCL to collect fees for work performed by BCL employees.

10. DETRIMENTAL EFFECT ON THE ENVIRONMENT AND PUBLIC HEALTH IF THE RULE IS NOT IMPLEMENTED:

There will be no detrimental effect on the environment if this rule is not implemented. Based on increasing budget cuts, services at BCL would possibly diminish if BCL is not able to collect fees for work employees complete.

420-1-5-.08 State Level Fees. Notwithstanding any rule provision previously adopted by the State Board of Health, pursuant to Code of Ala. 1975, §§ 22-11A-42 and 41-1-11, the Department of Public Health shall collect fees for the services as set out below.
