

ALABAMA DEPARTMENT OF PUBLIC HEALTH

Strategic Plan Overview 2019-2023

In 2018, ADPH staff and leadership assessed the strengths, weaknesses, opportunities, and threats to the department. Through this assessment, the leadership team determined strategies to help address areas of need, including opportunities to leverage existing resources. Using the input from the leadership team, executive leadership determined a final list of 5-year strategic goals and objectives. In order to achieve these 5-year goals, an Annual Plan will be created each year to ensure implementation of specific projects to bolster departmental efforts across several areas of the agency.
