The Alabama Department of Public Health has a goal of serving the people of Alabama with the best and highest quality service possible. As part of this goal, we need your assistance in identifying the health care issues and challenges in your community. Knowing what you consider to be the most important issues will help us serve you better in the future. In order for your comments to be considered, please respond by January 15, 2014.

This survey should take less than 10 minutes to complete. All responses to this survey are confidential.

If you are completing this as a representative of a group or organization, please complete the online survey.
