1 INTRODUCTION

1.1 Background

1. The Alabama State Children’s Health Insurance Program (SCHIP) was created under Title XXI of the Social Security Act as a result of the Balanced Budget Act of 1997. Upon the passage of the federal legislation, the Alabama Legislature passed a state resolution that enabled Alabama to establish SCHIP, later named CHIP and also known as ALL Kids. Alabama was the first state in the nation to have a federally approved SCHIP plan, and it began providing insurance coverage on February 2, 1998. The purpose of CHIP is to provide health insurance to Alabama’s otherwise uninsured children under the age of 19 years whose family income is above the Medicaid limit up to 312% of the Federal Poverty Level (FPL). The program provides a comprehensive benefit plan, including but not limited to, inpatient and outpatient provider visits, dental services, vision services, prescription drug coverage, and behavioral health services. The CHIP program is funded by a combination of federal and state funds and is administered by the Department.

A third party consulting firm has assisted CHIP with the development of an actuarial model which is utilized to project costs and enrollment based on historical performance.

1.2 Purpose

1. This acquisition will provide the Department with consulting services in support of further development, implementation, evaluation, and auditing, including, but not limited to the CHIP actuarial model, and other health related policies and departmental issues that might be identified. These services could include, but will not be limited to, financial and actuarial evaluation of programs and benefits; ongoing program operational design; program evaluation; cost projections relating to CHIP, Medicaid and private insurance alternatives; analysis of and assistance with meeting data/information system needs; and performance of claims, medical necessity, eligibility, and/or other audits, as directed by the Department. All of these services will be referred to collectively as actuarial, auditing, and consulting in this contract.

Scope of Service: Tasks and deliverables of the pro forma contract, included in Section 8 of this RFP, detail the scope of services, deliverables and terms and conditions that the Department requires.

1.3 Contract Duration

The Department intends to enter into a contract with an effective period of October 1, 2020, through September 30, 2022. Additionally, the Department has the option of unilaterally extending the contract for the periods October 1, 2022 through September 30, 2024 and October 1, 2024 through September 30, 2025.

1.4 Letter of Intent to Propose

Vendors intending to submit a proposal for this RFP must submit a Letter of Intent to Propose, as outlined in Attachment 9.1 of this document, to the RFP Coordinator at the address in paragraph 3.1 no later than 5:00 PM CDT June 9, 2020. An email version of the Letter of Intent is acceptable.

Questions and comments on the RFP can be submitted to the RFP Coordinator at any time prior to 5:00 PM CDT June 9, 2020. Questions and comments must be submitted via email. A listing of these questions and/or comments and corresponding answers will be distributed through electronic transmission (e-mail) to all vendors submitting a Letter of Intent to Propose. The questions and answers document will be distributed no later than 5:00 PM CDT June 16, 2020.

1.5 Proposal Deadline

Proposals must be submitted no later than 5:00 PM CDT July 6, 2020. Proposers shall respond to the RFP including any exhibits, attachments, or amendments. A Proposer’s failure to submit a proposal as required before the deadline shall cause the proposal to be disqualified.

Proposers assume the risk of the method of dispatch chosen. The Department assumes no responsibility for delays caused by any delivery service. Postmarking by the due date shall not substitute for actual proposal receipt by the Department. Late proposals will not be accepted, nor shall additional time be granted to any potential Proposer. Proposals may not be delivered orally, by facsimile transmission, or by other telecommunication or electronic means.
1.6 **Nondiscrimination**

No person shall be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the Department’s contracted programs or activities on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, or any other classification protected by federal or Alabama State Constitutional or statutory law; nor shall they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the Department or in the employment practices of the Department’s contractors. Accordingly, all vendors entering into contracts with the Department shall, upon request, be required to show proof of such nondiscrimination and to post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.
2  **RFP SCHEDULE OF EVENTS**

The following RFP Schedule of Events represents the Department’s best estimate of the schedule that shall be followed. Unless otherwise specified, the time of day for the following events shall be between 8:00 a.m. and 5:00 p.m., Central Daylight Time.

The Department reserves the right, at its sole discretion, to adjust this schedule as it deems necessary. Notification of any adjustment to the Schedule of Events shall be provided via e-mail to all vendors submitting a *Letter of Intent to Propose*.

RFP Coordinator. Her email address is Sandra.King@adph.state.al.us, and is located at:

Alabama Department of Public Health

3.2 RFP for Actuarial/Auditing/Consulting Services
The Department has assigned the following RFP identification name—Request for Proposals for
Actuarial, Auditing and Consulting Services and the short name: RFP for
Actuarial/Auditing/Consulting Services, which should be referenced in all communications regarding the
RFP.

3.3 Communications Regarding the RFP
3.3.1 Upon release of this RFP, all vendor communications concerning this procurement must be
directed to the RFP Coordinator. Unauthorized contact regarding the RFP with other Department
employees may result in disqualification.

3.3.2 All communications should be via e-mail to the RFP Coordinator at the e-mail address noted in
Section 3.1. Any oral communications shall be considered unofficial and non-binding on the
Department. Submitted comments, including questions and requests for clarification, must cite the
RFP name, RFP for Actuarial/Auditing/Consulting Services. The RFP Coordinator must
receive any questions or requests via e-mail by the deadline specified in the RFP Schedule of
Events.

3.3.3 The Department shall e-mail its written responses to written questions/comments to all vendors
submitting a Letter of Intent to Propose.

3.4 Required Review and Waiver of Objections by Proposers
Proposers should carefully review this RFP and all attachments, including but not limited to the pro forma
contract, for comments, questions, defects, objections, or any other matter requiring clarification or
correction (collectively called “comments”). Comments concerning RFP must be made via e-mail and
received by the RFP Coordinator no later than 5:00 PM CDT June 9, 2020. This will allow issuance of
any necessary amendments and help prevent the opening of defective proposals upon which contract award
could not be made.

Protests based on any objection shall be considered waived and invalid if these faults have not been brought
to the attention of the Department, in writing, by this deadline.

3.5 Proposal Submittal
One (1) original and six (6) copies of the Technical/Management document and one (1) original and two
(2) copies of the Cost/Price document shall be submitted to the Department in two separate envelopes.
These envelopes should be clearly marked “Technical/Management Response to RFP for
Actuarial/Auditing/Consulting Services—DO NOT OPEN” and “Cost/Price Response to RFP for
Actuarial/Auditing/Consulting Services—DO NOT OPEN”

Please ensure that the Proposer’s company name appears on the exterior of all sealed packages and
containers. The Cost/Price document copies shall be sealed together and mailed separately from the other
documents.
All proposals must be submitted to the RFP Coordinator at:

Alabama Department of Public Health
Attn: CHIP – Sandra King
201 Monroe Street, Suite 400
Montgomery, AL 36104

Proposals must be received by 5:00 PM CDT July 6, 2020. Submissions not meeting this deadline will not be considered.

3.6 Proposal Preparation Costs
The Department shall not pay any costs associated with the preparation, submittal, or presentation of any proposal.

3.7 Proposal Withdrawal
Vendors may withdraw a submitted proposal at any time. To withdraw a proposal, the vendor must submit a written request, signed by an authorized representative, to the RFP Coordinator. After withdrawing a previously submitted proposal, the vendor may submit another proposal at any time up to the deadline for submitting proposals.

3.8 Proposal Amendment
The Department shall not accept any amendments, revisions, or alterations to proposals after the deadline for proposal submittal unless such is formally requested, in writing, by the Department.

3.9 Proposal Errors
Proposers are liable for all errors or omissions contained in their proposals. Proposers shall not be allowed to alter proposal documents after the deadline for submitting a proposal.

3.10 Incorrect Proposal Information
If the Department determines that a Proposer has provided, for consideration in the evaluation process or contract negotiations, incorrect information which the Proposer knew or should have known was materially incorrect, that proposal shall be determined non-responsive, and the proposal will be rejected.

3.11 Prohibition of Proposer Terms and Conditions
A Proposer may not submit the Proposer’s own contract terms and conditions in a response to this RFP. If a proposal contains such terms and conditions, the Department, at its sole discretion, may determine the proposal to be a non-responsive counteroffer, and the proposal may be rejected.

3.12 Assignment and Subcontracting
3.12.1 The Contractor may not transfer or assign any portion of the contract without prior, written approval from the Department.

3.12.2 Except as referred to in paragraphs allowing a corporate alliance, the Contractor may not use subcontractors without prior, written approval from the Department.

3.12.3 For purposes of this RFP, the Department defines “subcontract” as any form of agreement, verbal or written, with another company or individual, for that company or individual to act as an agent to identify, locate, contact, or in any other way facilitate the prime contractor’s efforts to provide candidate(s) to be assigned to information technology positions with the Department. “Partnerships” or “Joint Ventures” that achieve substantially the same effect must also have approval from the Department.
3.13 **Right to Refuse Personnel**

The Department reserves the right to refuse, at its sole discretion, any personnel provided by the contractor. Contractor must sign State of Alabama Immigration Status Form (See Attachment 9.5) and provide a copy of your E-Verify MOU. If you have not enrolled in the E-Verify program, you can enroll at [www.dhs.gov/e-verify](http://www.dhs.gov/e-verify). If E-Verify MOU is not submitted with proposal, it will be required before a contract is awarded.

3.14 **Proposal of Alternate Services**

Proposals of alternate services (i.e., proposals that offer something different from that requested by the RFP) shall be considered non-responsive and rejected.

3.15 **Proposal of Additional Services**

If a Proposer indicates an offer of services in addition to those required and described in this RFP, these additional services may be added to the contract before contract signing at the sole discretion of the Department.

The cost for any such additional services must be incorporated into the required cost amount(s) provided in the Proposer’s Response so that all proposals may be equitably evaluated. The Proposer shall not propose unrequested rates as separate, additional rates for additional services.

3.15.1 A proposal shall be disqualified and rejected by the Department if the price in the proposal was not arrived at independently without collusion, consultation, communication, or agreement as to any matter relating to such prices with any other Proposer, a Department employee, or any competitor.

3.15.2 The Proposer is prohibited from submitting more than one proposal. Submittal of more than one proposal shall result in the disqualification of the Proposer.

3.15.3 Should any such prohibited action stated above (see 3.15.1 and 3.15.2) be detected any time during the term of the contract, such action shall be considered a material breach and grounds for contract termination.

3.16 **Insurance**

The apparent successful Proposer may be required to provide proof of adequate worker’s compensation and public liability insurance coverage before entering into a contract. Additionally, the Department may, at its sole discretion, require the apparent successful Proposer to provide proof of adequate professional malpractice liability or other forms of insurance as required by law. Failure to provide evidence of such insurance coverage is a material breach and grounds for termination of the contract negotiations. Any insurance required by the Department shall be in form and substance acceptable to the Department.

3.17 **Licensure**

Before a contract pursuant to this RFP is signed, the Contractor must hold all necessary, applicable business and professional licenses. The Department may require any or all Proposers to submit evidence of proper licensure.

3.18 **Conflict of Interest and Proposal Restrictions**

3.18.1 By submitting a proposal, the Proposer certifies that no amount shall be paid directly or indirectly to an employee or official of the State of Alabama as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Proposer in connection with the procurement under this RFP. Act 2001-955 requires an Alabama Disclosure Statement to be completed and filed with all proposals, bids, contracts, or grant proposals to the State of Alabama in excess of $5,000. See Attachment 9.2 to locate the required Disclosure Statement information.
Notwithstanding this restriction, nothing in this RFP shall be construed to prohibit a State agency or other governmental entity from making a proposal, being considered for award, or being awarded a contract under this RFP.

3.18.2 State agencies shall not contract with an individual who is a state employee or an individual who within the past two years has been a state employee in a position of authority. A position of authority is defined as position with control or significant influence over hiring, firing, budgets, and/or contracts. An individual shall be deemed a State employee until such time as all salary, termination pay, and compensations representing annual or compensatory leave have been paid by the State. A contract with a company in which a controlling interest is held by a State employee shall be considered to be a contract with said individual and shall be prohibited.

3.19 **RFP Amendment and Cancellation**

The Department reserves the unilateral right to amend this RFP in writing at any time. The Department also reserves the right to cancel or reissue the RFP at its sole discretion. If an amendment is issued, it shall be provided via e-mail to all vendors submitting a Letter of Intent to Propose. Proposers shall respond to the final written RFP and any exhibits, attachments, and amendments.

3.20 **Right of Rejection**

3.20.1 The Department reserves the right, at its sole discretion, to reject any and all proposals or to cancel this RFP in its entirety.

3.20.2 Any proposal received which does not meet the requirements of this RFP may be considered to be non-responsive, and the proposal may be rejected. Proposers must comply with all of the terms of this RFP and all applicable State laws and regulations. The Department may reject any proposal that does not comply with all of the terms, conditions, and performance requirements of this RFP.

3.20.3 Proposers may not restrict the rights of the Department or otherwise qualify their proposals. If a Proposer does so, the Department may determine the proposal to be a non-responsive counteroffer, and the proposal may be rejected.

3.20.4 The Department reserves the right, at its sole discretion, to waive variances in a Proposer’s Response, provided such action is in the best interest of the Department. Where the Department waives minor variances in proposals, such waiver does not modify the RFP requirements or excuse the Proposer from full compliance with the RFP. Notwithstanding any minor variance, the Department may hold any Proposer to strict compliance with the RFP.

3.21 **Disclosure of Proposal Contents**

All proposals and other materials submitted in response to this RFP procurement process become the property of the Department. Selection or rejection of a proposal does not affect this right. All proposal information, including detailed price and cost information and trade secrets, shall be held in confidence. Upon the completion of the evaluation of proposals, indicated by public release of an Evaluation Notice, the proposals and associated materials shall be disposed of in accordance with Departmental regulations.

3.22 **Severability**

If any provision of this RFP is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected; and, the rights and obligations of the Department and Proposers shall be construed and enforced as if the RFP did not contain the particular provision held to be invalid.
4 SPECIAL REQUIREMENTS

4.1 Location and Work Space
Most of the work will have to be accomplished at the Contractor’s facility. Occasional work will be required on a temporary basis at the Department’s central office (the address specified in paragraph 3.5) and possibly other locations such as local county health departments. Department will not provide permanent, long term working space or amenities to Contractor personnel.

4.2 Minimum Qualifications
Contractor must have a minimum of two years of service, within the past five years, providing actuarial and auditing services to a CHIP or other insurance program. These qualifications will be outlined in Section 5.2.2.

5 PROPOSAL FORMAT AND CONTENT

5.1 General Proposal Requirements

5.1.1 The Department discourages lengthy and costly proposals. Proposals should be prepared simply and economically and provide a straightforward, concise description of the Proposer’s capabilities to satisfy the requirements of this RFP. Emphasis should be on completeness and clarity of content.

5.1.2 Proposers must follow all formats and address all portions of the RFP set forth herein, providing all information requested. Proposers may retype or duplicate any portion of this RFP for use in responding to the RFP, provided that the proposal clearly addresses all of the Department’s information requirements.

5.1.3 Proposers shall divide their responses to this RFP into a Technical/Management document and a Cost document and submit them in accordance with this Section of the RFP by the deadline for submitting a proposal in the RFP Schedule of Events.

5.1.4 Proposers must respond to every subsection below. Proposers must label each response to RFP requirements with the section and subsection numbers associated with the subject requirement in this RFP (e.g., the response to the third requirement of the Proposal Transmittal Letter would be labeled 5.2.1.3).

Failure to follow the specified format, to label the responses correctly, or to address all of the subsections may, at the Department’s sole discretion, result in the rejection of the Proposal.

Proposals must not contain extraneous information. All information presented in a Proposal must be relevant in response to a requirement of this RFP, must be clearly labeled, and, if not incorporated into the body of the Proposal itself, must be referenced to and from the appropriate place within the body of the Proposal. Any information not meeting these criteria shall be deemed extraneous and shall in no way contribute to the evaluation process.

5.1.5 Proposals shall be prepared on standard 8 1/2” x 11” paper. Foldouts containing charts, spreadsheets, and oversize exhibits are permissible. All responses, as well as any reference material presented, must be written in English. All proposal pages must be numbered.

5.1.6 Cost document and pricing information shall not be included in the Technical/Management document. Inclusion of Cost in the Technical/Management document may make the proposal non-responsive and the proposal may be rejected.

5.2 Technical/Management Document (Maximum 75 points)
The Technical/Management document shall be divided into the following:

I. Transmittal Letter
II. Actuarial, Auditing, and Consulting Services
   A. Corporate Experience/Past Performance
   B. Qualifications of Proposed Personnel

If a proposal fails to detail and address each of the requirements detailed herein, the Department may determine the proposal to be non-responsive and reject it.

5.2.1 Proposal Transmittal Letter – This section consists of a written transmittal and offer of the proposal in the form of a standard business letter. The Proposal Transmittal Letter shall reference and respond to the subparagraphs 5.2.1.1 through 5.2.1.8 in sequence and required corresponding documentation should be attached. The requirements of the Proposal Transmittal Letter section of the proposal are mandatory. Any proposal which does not meet the requirements and provide all required documentation shall be considered non-responsive, and the proposal may be rejected.

5.2.1.1 The letter shall provide the complete name, Social Security Number or EIN number of the individual, the legal entity name and Vendor Tax Identification Number of the firm making the proposal. An IRS W-9 should be attached.

5.2.1.2 The letter shall provide the name, mailing address, e-mail address, and telephone number of the person the Department should contact regarding the proposal.

5.2.1.3 The letter shall state whether the Proposer or any individual who shall perform work under the contract has a possible conflict of interest (e.g., employment by the State of Alabama) and, if so, the nature of that conflict. The Department reserves the right to cancel an award if any interest disclosed from any source could give either the appearance of a conflict of interest or cause speculation as to the objectivity of the proposer. Such determination regarding any questions of conflict of interest shall be solely within the discretion of the Department. A Disclosure Form should be attached (Attachment 9.2).

5.2.1.4 Written confirmation that the Proposer shall comply with all of the provisions in this RFP and shall accept all terms and conditions set out in the pro forma contract in Section Eight (8) of this RFP. (Note: If the Proposal fails to provide said confirmation without exception or qualification, the Department, at its sole discretion, may determine the proposal to be a non-responsive counteroffer, and the proposal will be rejected.)

5.2.1.5 The letter shall state that the proposal remains valid for at least One Hundred Eighty (180) days subsequent to the date of the Proposal Submission deadline and thereafter in accordance with any resulting contract between the Proposer and the Department.

5.2.1.6 The letter shall be signed by a company officer empowered to bind the proposing vendor to the provisions of this RFP and any contract awarded pursuant to it.

5.2.1.7 Using Attachment 9.3 (Certification of Compliance), written certification and assurance of the Proposer’s compliance with:
   -the laws of the State of Alabama;
   -Title VI of the federal Civil Rights Act of 1964;
   -the Equal Employment Opportunity Act and the regulations issued therewith by the federal government;
   -the Americans with Disabilities Act of 1990 and the regulations issued therewith by the federal government;
   -the condition that the submitted proposal was independently arrived at, without collusion, under penalty of perjury; and,
   -the condition that no amount shall be paid directly or indirectly to an employee or official of the State of Alabama as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Proposer in connection with the procurement under this RFP.
5.2.1.8 The Proposal Transmittal Letter and all attachments should not exceed ten (10) pages.

5.2.2 Actuarial, Auditing, and Consulting Services

5.2.2.1 Corporate Experience/Past Performance – (Maximum 30 points) The proposal shall provide the following information (referencing the subsections in sequence) to evidence the Proposer’s qualifications to deliver consulting, actuarial, and auditing services required by this RFP. Any proposal which does not provide all required documentation may be considered non-responsive, and the proposal may be rejected. The proposal shall provide the following information (referencing the subsections in sequence):

5.2.2.1.1 A brief, descriptive statement indicating the Proposer’s credentials to deliver consulting, actuarial, and auditing services for CHIP. Said statement shall include the following:

5.2.2.1.1.1 A brief description of the Proposer’s background and organizational history,
5.2.2.1.1.2 Years in business,
5.2.2.1.1.3 A brief statement of how long the Proposer has been performing consulting, actuarial, and auditing services,
5.2.2.1.1.4 Location of offices,
5.2.2.1.1.5 An organizational profile including: number of employees, longevity of employees and client base, and
5.2.2.1.1.6 Form of business (i.e., individual, sole proprietor, corporation, non-profit corporation, limited liability company, et cetera).

5.2.2.1.2 Proposer CHIP Experience – (Maximum 30 points) The Proposer shall address the following areas detailing the corporate experience which the vendor intends to provide the Department if chosen for contract award. This section should be written in narrative form and address all points as outlined below.

5.2.2.1.2.1 The Proposer shall provide a detailed statement cataloging previous experience with actuarial, auditing, and consulting especially for state and local public health agencies and Children’s Health Insurance Programs (CHIPs). Specifically, this statement should describe any previous contractual arrangements with public health agencies/departments/CHIPs and other organizations, and list contacts that are able to verify the caliber of the previous work.

5.2.2.1.2.2 The Proposer should outline and explain their knowledge of current technical infrastructure related to consulting, actuarial, and auditing.

5.2.2.1.2.3 The Proposer shall outline and explain their knowledge of and experience with the business rules related to actuarial, auditing, and consulting.

5.2.2.1.2.4 The proposer shall provide three references of government agencies or companies for which consulting projects similar to this one have been successfully accomplished within the last five years. Each reference should include specifics relative to what was done and a point of contact with telephone number or email address.

5.2.2.2 Qualifications of Proposed Personnel (Maximum 15 points)
5.2.2.1 Include a one to two page resume of each classification of consulting professional proposed for the contract. Each resume should include the education, training, experience and certifications required. Each resume should include a description of the qualifications of staff intended to be used to accomplish the goals and objectives of this project. This should include a project manager. Each classification should be matched to the tasks to be accomplished so that it is clear how each proposed consultant will be used over the term of the contract.

5.2.2.2 Qualifications of Proposed Personnel should not exceed ten (10) pages including attachments.

5.3 **COST/PRICE DOCUMENT (Maximum 25 points)**

5.3.1 The proposer should propose the classifications of personnel that will be required to accomplish the specified work for Actuarial, Auditing, and Consulting. The classifications to be proposed should be for consulting professionals. The hours per consultant classification over time should be multiplied by the loaded labor rate per consultant classification and summed to get a total. For the purposes of this solicitation, general (non-technical) management and administrative (secretarial support) are assumed to be part of the loaded labor rates of the consulting professionals. Said proposed price shall incorporate all direct and indirect cost and a reasonable profit for the proposed scope of services for the contract year. The proposer should explain in detail how the loaded labor rates are built up and the rationale for the profit component.

5.3.2 Proposers should propose an amount for travel and per diem.

5.3.3 Detailed cost information is needed only for the contract period October 1, 2020 through September 30, 2022.

5.3.4 There is no page limit for the cost/price document.
6 EVALUATION AND VENDOR SELECTION

6.1 Proposal Evaluation Categories

The criteria that shall be considered in the evaluation of proposals are Technical/Management and Cost/Price, as delineated in Section 5 of this RFP. These evaluation areas will be evaluated using a numerical scoring system by a panel of state administrative staff.

Failure by a Proposer to provide information, to demonstrate sufficient qualifications in each area, or consistent patterns of negative performance in any area will disqualify the Proposer.

6.2 Proposal Evaluation Process

6.2.1 The evaluation process is designed to award the procurement to the Proposer with the best combination of attributes based upon the evaluation criteria, including but not limited to, cost.

6.2.2 The RFP Coordinator shall manage the proposal evaluation process and maintain proposal evaluation records. The Proposal Evaluation Team comprised of State employees shall be responsible for evaluating proposals.

6.2.3 All proposals shall be reviewed by the RFP Coordinator to determine compliance with proposal administrative requirements as specified in this RFP (See Attachment 9.4, Proposal Compliance Checklist.) The Proposal Evaluation Team shall review each proposal to determine:
   1) if it meets requirements;
   2) if the Department shall request clarification(s) or correction(s); or
   3) if the Department shall determine the proposal non-responsive and reject it.

6.2.4 The Proposal Evaluation Team shall evaluate responsive proposals. The team members shall score each proposal. The evaluation scoring shall use the pre-established evaluation criteria set out in Section 6.1 of this RFP.

6.2.5 The Department reserves the right, at its sole discretion, to request clarifications of Proposer Qualifications or to conduct discussions for the purpose of clarification with any or all Proposers. The purpose of any such discussions shall be to ensure full understanding of the proposal. Discussions shall be limited to specific sections of the proposal identified by the Proposal Evaluation Team. If held, the discussion shall be after initial evaluation of Proposer Qualifications. If clarifications are made as a result of such discussion, the Proposer shall put such clarifications in writing.

6.2.6 Evaluation of the Cost/Price portion of the proposal will be to assess the total amount relative to what is proposed in the Technical/Management document, and compare total amounts among proposers, both with a view toward getting the best value.

6.3 Contract Award Process

6.3.1 The Proposal Evaluation Team shall forward results from the proposal evaluation process to the State Health Officer, who will make the final selection of the winning vendor. The State Health Officer may use verifiable information elsewhere obtained to assist in the source selection decision.

6.3.2 The Department reserves the right to make an award without further discussion of any proposal submitted. There may not be any best and final offer procedure. Therefore, each proposal should be initially submitted on the most favorable terms the vendor can offer. If substantive negotiations (more than clarifications) are conducted with any proposer, they will be conducted with all proposers in the competitive range.

6.3.3 After the evaluation of proposals and final consideration of all pertinent information available, the Department shall notify all Proposers of their status. The notice shall not create rights, interests, or claims of entitlement in the apparent best-evaluated Proposer or any vendor.

6.3.4 The apparent best evaluated Proposer shall be prepared to enter into a contract with the Department, which shall be substantially the same as the pro forma contract included in Section 8 of this RFP. Notwithstanding, the Department reserves the right to add terms and conditions, deemed to be in the best
interest of the Department, during final contract negotiations. Any such terms and conditions shall be within the scope of the RFP and shall not affect the basis of proposal evaluations.

6.3.5 Contractor Registration — Proposers need not be registered with the state to make a proposal. However, the service provider to whom the Department makes a contract award should be registered as required by the Department of Finance prior to Contract Award.

If a Proposer fails to register with the State as a service provider as required by the Department of Finance within five (5) calendar days of final contract negotiations, the Department shall determine, at its sole discretion, that the Proposer is non-responsive to the terms of this RFP.

6.3.6 If a Proposer fails to sign and return the contract drawn pursuant to this RFP and final contract negotiations within five (5) calendar days of its delivery to the Proposer, the Department shall determine, at its sole discretion, that the Proposer is non-responsive to the terms of this RFP, reject the proposal, and open final contract negotiations with the next best evaluated Proposer.

6.3.7 Contract award shall be subject to the contract approval of all appropriate State officials in accordance with applicable State laws and regulations.

7 STANDARD CONTRACT INFORMATION

7.1 Contract Approval

The RFP and the contractor selection processes do not obligate the Department and do not create rights, interests, or claims of entitlement in the apparent best-evaluated Proposers or any vendor. Contract award and Department obligations pursuant thereto shall commence only after the contract is signed by the State Health Officer and all other State officials as required by State laws and regulations to establish a legally binding contract, and the Contractor.

7.2 Contract Payments

Contract payments shall be made in accordance with the Payment Terms and Conditions Section of the final contract.

No payment shall be made until the contract is approved as required by state laws and regulations. Under no conditions shall the Department be liable for payment of any type associated with the contract or responsible for any work done by the Contractor, even work done in good faith and even if the Contractor is orally directed to proceed with the delivery of services, if it occurs before the contract start date specified by the contract or before contract approval by State officials as required by applicable statutes and rules of the State of Alabama.

7.3 RFP and Proposal Incorporated into Final Contract

The Contractor shall be responsible for the completion of all work set out in the contract. All work is subject to inspection, evaluation, and acceptance by the Department. The Department may employ all reasonable means to ensure that the work is progressing and being performed in compliance with the contract. At reasonable times, the Department may inspect those areas of the Contractor’s place of business that are related to the performance of the contract. If the Department requires such an inspection, the Contractor shall provide reasonable access and assistance.

7.5 Contract Amendment

During the course of this contract, the Department may request the Contractor to perform additional work for which the Contractor would be compensated. That work shall be within the general scope of this RFP.
In such instances, the Department shall provide the Contractor a written description of the additional work, and the Contractor shall submit a time schedule for accomplishing the additional work and a price for the additional work based on the rates included in the Contractor’s Proposal to this RFP. If the Department and the Contractor reach an agreement regarding the work and associated compensation, said agreement shall become effective by means of a contract amendment. Any such amendment requiring additional work must be mutually agreed upon by the parties and signed by the Contractor and the State Health Officer and must be approved by other State officials as required by State laws and regulations. The Contractor shall not commence additional work until the Department has issued a written contract amendment and secured all required approvals.
