# SICKLE CELL DISEASE AND OTHER HEMOGLOBINOPATHIES: NEWBORN SCREENING AND BEYOND

Montgomery, Alabama Satellite Broadcast  
March 24, 2017

## EVALUATION FORM

Our goal is to meet your needs and expectations. Please help us know if we did by providing the information asked for below. We appreciate your candid responses and comments.

**Educational Objectives:** Educational objectives are used to describe what CME participants should be able to do after they complete a CME activity. To help us determine the effectiveness of this CME activity, please **circle the number** that most accurately reflects your opinion of your ability to perform the behavior described by each of the educational objectives listed below.

**1. As a result of participating in this CME activity, do you agree that you can**

<p><b>a. Describe the pathophysiology of a variety of hemoglobinopathies, including Sickle Cell Disease, and the sequelae associated with each one.</b></p> <p>1 strongly disagree      2 disagree      3 not sure      4 agree      5 strongly agree</p>
<p><b>b. Explain appropriate laboratory testing and the criteria utilized to diagnose a hemoglobinopathy.</b></p> <p>1 strongly disagree      2 disagree      3 not sure      4 agree      5 strongly agree</p>
<p><b>c. Differentiate between the varying pathways for follow up care and treatment as it applies to each hemoglobinopathy discussed.</b></p> <p>1 strongly disagree      2 disagree      3 not sure      4 agree      5 strongly agree</p>
<p><b>d. Recognize the medical significance of Sickle Cell Trait and the importance of thorough patient and family education regarding the diagnosis.</b></p> <p>1 strongly disagree      2 disagree      3 not sure      4 agree      5 strongly agree</p>

**2. We would like to know if participating in this CME activity will contribute to changes you may make in your approaches to managing patients in your practice.**

- a. Do you anticipate changing something you currently do in your practice or doing something new as a result of your participation in this CME activity? Yes No
- b. If yes, what do you intend to do differently?

---

**3. Please rate the speakers.**

Do you agree that <b>Felicia L. Wilson, M.D.:</b>				
a. provided information that was relevant to your practice circumstances?				
1	2	3	4	5
strongly disagree	disagree	not sure	agree	strongly agree
b. provided an opportunity for questions and discussion?				
1	2	3	4	5
strongly disagree	disagree	not sure	agree	strongly agree
c. made a presentation that was well balanced, supported by scientific information, and provided a fair description of all therapeutic options?				
1	2	3	4	5
strongly disagree	disagree	not sure	agree	strongly agree
Comments:				

Do you agree that <b>Thomas H. Howard, M.D.:</b>				
a. provided information that was relevant to your practice circumstances?				
1	2	3	4	5
strongly disagree	disagree	not sure	agree	strongly agree
b. provided an opportunity for questions and discussion?				
1	2	3	4	5
strongly disagree	disagree	not sure	agree	strongly agree
c. made a presentation that was well balanced, supported by scientific information, and provided a fair description of all therapeutic options?				
1	2	3	4	5
strongly disagree	disagree	not sure	agree	strongly agree
Comments:				

Do you agree that <b>Keava Boswell Jones, Esq.:</b>				
d. provided information that was relevant to your practice circumstances?				
1	2	3	4	5
strongly disagree	disagree	not sure	agree	strongly agree
e. provided an opportunity for questions and discussion?				
1	2	3	4	5
strongly disagree	disagree	not sure	agree	strongly agree
f. made a presentation that was well balanced, supported by scientific information, and provided a fair description of all therapeutic options?				
1	2	3	4	5
strongly disagree	disagree	not sure	agree	strongly agree
Comments:				

**4. The Medical Foundation of Alabama adheres to ACCME Standards regarding industry support of continuing medical education and disclosure of faculty and commercial support relationships. Please assess our performance in this area by responding to the following questions.**

a. Were you made aware that this CME course received support from commercial firms that produce health care products?	Yes	No
b. Were you informed about the financial relationships of planners and speaker(s) with companies that make products or provide services related to the content of today's presentation? Or that a planner or speaker(s) had no financial relationships? (Examples include honorarium, research grants, stock ownership.)	Yes	No
c. Did you experience any inappropriate selling pressure by representatives of commercial firms present at this course?	Yes	No
d. If the speaker mentioned off label or experimental uses of drugs or devices, did he/she inform the audience that the uses of the drugs and/or devices that they mentioned were either experimental or had not been approved by the FDA for the use described?	_____	Not applicable
	_____	Never
	_____	Sometimes
	_____	Always
