

Feet, Forks and the Fate of Our Families

Satellite Conference and Live Webcast
Tuesday, April 21, 2015
10:00 – 11:30 am Central Time

Faculty:

David Katz, MD, MPH
Director, Prevention Research Center
Yale University School of Medicine

Objectives:

1. Characterize recent trends in obesity and diabetes in children
2. Identify the root causes of epidemic obesity and chronic disease
3. Discuss the potential impact of lifestyle behaviors on the incidence of chronic disease throughout the lifecourse
4. Identify specific programs that show promise in reversing the trends in obesity and related conditions in children
