

ADPH/PPC Teleconference
“Children with Chronic Respiratory Complaints: When Does Normal Become Abnormal?”
Wednesday, April 27, 2011

Instructions from UAB CME

Evaluation

The following questions must be included in the program’s evaluation form.

| | Strongly Disagree | Disagree | Neutral | Agree | Strongly Agree |
|---|-------------------|----------|---------|-------|----------------|
| 1. The content was objective and balanced. | | | | | |
| 2. The content was evidence-based. | | | | | |
| 3. The type of evidence was identified. | | | | | |
| 4. The source of evidence was identified. | | | | | |
| 5. There was no inappropriate commercial bias toward any product. | | | | | |

A summary of the program evaluations must be submitted to Marsetta Flowers (Marsetta@uab.edu) in the Division of CME following live programs.

Attendance Records

The list of attendees should be sent electronically to Marsetta Flowers (Marsetta@uab.edu) in the Division of CME. The list should include the following information about the participants:

- names
- Degrees
- Addresses
- Phone numbers
- Fax numbers
- E-mail addresses

And must be in Microsoft Excel or Microsoft Access format.
