#

Objectives:

1. Review the variations in name and appearance of Electronic Nicotine Delivery Systems as well as the contents of the solution.
2. Review the American Academy of Pediatrics recent policy statement on Electronic Nicotine Delivery Systems (ENDS).
3. Review the recommended actions for pediatricians and other health care providers who work with children when discussing ENDS.
4. Review the environmental and poisoning hazards for children that are associated with electronic cigarettes and liquid nicotine, including pharmacokinetics, mechanism of toxicity, and toxic clinical effects of nicotine.
