

SUICIDE: PREVENTION, INTERVENTION, & POSTVENTION

Satellite Conference and Live Webcast

Thursday, June 24, 2021; 10:00-11:00 a.m. (Central Time)

11:00 a.m.-12:00 p.m. (Eastern) 9:00-10:00 a.m. (Mountain) 8:00-9:00 a.m. (Pacific)

Statistics estimate that a person dies by suicide every 11 minutes in the United States with many more having failed attempts. COVID-19 shutdowns appear to have increased the prevalence of suicidal ideation by increasing social isolation and decreasing access to care. This program will provide healthcare professionals evidenced based best practices to intervene on behalf of these individuals and their families.

FACULTY:

Rena Carpenter, LICSW, PIP

Social Work Clinical Coordinator
Alabama Tombigbee Regional Commission

William Kennedy, LICSW

State Social Work Director
Alabama Department of Public Health

PROGRAM OBJECTIVES:

1. Participants will be able to identify individuals at risk for suicide and ways to decrease their risk.
2. Participants will be able to identify best practices to use to intervene when a person is suicidal.
3. Participants will be able to provide postvention services following an attempted or a completed suicide.

CONFERENCE DETAILS:

Target Audience: Clerical, Nutrition, Social Work and Nursing

Continuing Education: Nurses 1 hour and Social Workers 1 hour

**Non-ADPH employees are charged a fee to receive CE Certificates.*
