

# ENSURING HOLISTIC CONTINUITY OF CARE IN WOMEN'S HEALTH

## Satellite Conference and Live Webcast

Tuesday, August 1, 2017, 9:00 a.m.-12:00 p.m. (Central Time)  
10:00 a.m.-1:00 p.m. (Eastern) ■ 8:00-11:00 a.m. (Mountain) ■ 7:00-10:00 a.m. (Pacific)

*This program will outline evidenced based principles that have guided the revision of contraceptive management protocol supported by United States Medical Eligibility Contraceptive for Contraceptive Use (U.S. MEC) from the Centers for Disease Control and Prevention. Additionally, pivotal to clinic care, efficiency will be supported by a new patient self history form. The last essential presentation will outline pap follow-up with a six step process and new documentation form to enhance continuity of patient care. These discussions with interactive questions and answers are open through out the entire program and open to the discussion of challenges to interject for building an improved clinic flow and best patient care.*
