YOU ARE THE KEY TO HPV CANCER PREVENTION

Wednesday, August 31, 2016

12:00 pm – 1:00 pm (Central Time)

Live Broadcast from Montgomery, Alabama

Jointly provided by Postgraduate Institute for Medicine, the National Area Health Education Center Organization (NAO), the West Central Alabama Area Health Education Center, and the Northeast Mississippi Area Health Education Center.

Funding for this educational activity was provided by the Center for Disease Control and Prevention Grant No. 1H23IP000960-01 to the National AHEC Organization.

Target Audience

This activity has been designed to meet the educational needs of health professionals who provide and/or promote immunizations, including physicians, registered nurses, and pharmacists.

Educational Objectives

After completing this activity, the participant should be better able to:

- Describe the burden of HPV disease.
- Define the importance of HPV vaccination for cancer prevention.
- Explain the rationale for vaccinating youth at ages 11 or 12.
- List the recommendations for HPV vaccine for girls and for boys.
- Provide useful and compelling information about HPV vaccine to parents to aid in making the decision to vaccinate.
- Locate resources relevant to current immunization practice.
- Provide appropriate care and counsel for patients and their families.
- Provide accurate and appropriate counsel as part of the treatment team.

Disclosure of Conflicts of Interest

Postgraduate Institute for Medicine (PIM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest (COI) they may have as related to the content of this activity. All identified COI are thoroughly vetted and resolved according to PIM policy. PIM is committed to providing its learners with high quality CME/CE activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest.

The **faculty** reported the following financial relationships or relationships they or their spouse/life partner have with commercial interests related to the content of this continuing education activity:

<i>Name of Faculty or Presenter</i>	<i>Reported Financial Relationship</i>
Natasha Horne, CRNP	Has no real or apparent conflicts of interest to report

The **planners and managers** reported the following financial relationships or relationships they or their spouse/life partner have with commercial interests related to the content of this continuing education activity:

The following PIM planners and managers, Trace Hutchison, PharmD, Samantha Mattiucci, PharmD, CHCP, Judi Smelker-Mitchek, RN, BSN and Jan Schultz, RN, MSN, CHCP, hereby state that they or their spouse/life partner do not have any financial relationships or relationships to products or devices with any commercial interest related to the content of this activity of any amount during the past 12 months.

The following National AHEC Organization planners and managers, Gretchen Forsell MPH, RD, LMNT, Trisha Schulz and Robert Trachtenberg, hereby state that they or their spouse/life partner do not have any financial relationships or relationships to products or devices with any commercial interest related to the content of this activity of any amount during the past 12 months.

The planners, managers and subject matter experts at US Centers for Disease Control and Prevention report no relevant relationships.

Disclosure of Unlabeled Use

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications.

The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

Disclaimer

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient’s conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer’s product information, and comparison with recommendations of other authorities.

Fee Information

There is no fee for this educational activity.

How to Obtain your CME/CE Certificate Online

PIM supports Green CME by offering your Request for Credit online. If you wish to receive acknowledgment for completing this activity, please follow the steps below:

1. Go to CME University at: www.cmeuniversity.com and register or login.
2. Once logged in, type in “11078” under “Find Post-test/Evaluation by Course” at the top of the page and click enter.
3. Click on the activity title: *You are the Key to HPV Cancer Prevention*.
4. Select the location and date you participated in the live webinar:
Montgomery, AL – 8/31/2016
5. Select the appropriate credit type applicable to your profession for this activity and click Continue.
6. Complete the online evaluation and obtain your CME/CE certificate to download and/or print for your files.

For Pharmacists: Upon completion of the online activity evaluation form, you will receive an email from the Postgraduate Institute for Medicine with a link and directions to submit your credit to the NABP CPE Monitor Service.

If you have questions regarding the receipt of your emailed certificate, please contact PIM at 303.799.1930 or via email at inquiries@pimed.com.
