

**The Deep South Occupational Health & Safety
Program Evaluation
Assessing for Substance Abuse: Screening, Brief Intervention, Referral to Treatment (SBIRT)
October 25, 2018**

The Deep South Center for OH&S is an approved provider of continuing education units for nurses by the AL Board of Nursing (Provider ABNP0420 Expiration Date 01/03/2019) and has awarded this program 1.0 contact hours for both nurses and social workers.

1. After completing this training, I feel confident that I can effectively:
Please shade in the circle under the number you think best evaluation this education offering using the scale below.

Objectives	Strongly Disagree	Disagree	Neither Agree or Disagree	Agree	Strongly Agree
1. Understand the impact of substance use and misuse at the individual and population health levels.					
2. Explore the need for substance assessment in public health and primary care.					
3. Define how the concept of SBIRT works.					
4. Review screening tools that can be incorporated into practice					
5. Discuss methods for assessing for substance use without disengaging your patient.					

2. List two things learned today that you can incorporate into your daily practice or job duties:

3. Are there any additional topics or skill areas you would like to see addressed in future trainings?
