

# Pap Smear Management Update

## Satellite Conference and Live Webcast

Tuesday, October 29, 2013, 8:30-10:00 a.m. (Central Time)

9:30-11:00 a.m. (Eastern) ● 7:30-9:00 a.m. (Mountain) ● 6:30-8:00 a.m. (Pacific)

### FACULTY:

#### **Laurie Stout, BSN, RN**

Nurse Manager  
Bureau of Family Health Services  
Alabama Department of Public Health

#### **Grace Thomas, MD, FACOG**

Assistant State Health Officer  
Bureau of Family Health Services  
Alabama Department of Public Health

### PROGRAM OBJECTIVES:

1. Discuss the rationale of the current Pap smear management approaches based on the latest ASCCP guidelines.
2. Discuss appropriate counseling and referral of women with abnormal Pap smears.
3. Discuss the latest Alabama Department of Public Health Pap smear protocol updates.
4. Describe effective interviewing techniques for educating patients about results and receiving HPV vaccination.

This program will provide information on newly revised protocol being implemented in Alabama Department of Public Health clinics October 2013. Program faculty will discuss which women with abnormal Pap tests are at risk for significant cervical disease. Discussion will be based on the American Society for Colposcopy and Cervical Pathology Consensus Guidelines (ASCCP). These guidelines provide up-to-date, evidence-based recommendations on how to manage women with abnormal Pap tests with the goals of minimizing the side effects of needless treatment and cancer risk. There will be discussion on the rationale for current treatment, and how to counsel and refer women with abnormal results. An overview of techniques to effectively interview the adolescent client will also be discussed.

### CONFERENCE DETAILS:
