If this complaint involves an auto accident, please click the link below to the Alabama Department of Finance to complete the Automobile Loss Notice or click the link to return to your account page. Thank you.

Alabama Department of Finance

Alabama Code 22-8-3

- When physician may proceed without consent of parent
- Any legally authorized medical, dental, health or mental health services may be rendered to minors of any age without the consent of a parent or legal guardian when, in the physician's judgment, an attempt to secure consent would result in delay of treatment which would increase the risk to the minor's life, health or mental health

Alabama Code 22-8-4

- When minor may give consent generally
- Any minor who is 14 years of age or older, or has graduated from high school, or is married, or having been married is divorced or is pregnant may give effective consent to any legally authorized medical, dental, health or mental health services for himself or herself, and the consent of no other person shall be necessary

Alabama Code 22-11A-19

- Minor 12 years or older may consent to medical treatment for sexually transmitted disease; medical care provider may inform parent or guardian

Alabama Code 22-11A-19

- Notwithstanding any other provision of law, a minor 12 years of age or older who may have come into contact with any sexually transmitted disease as designated by the State Board of Health may give consent to the furnishing of medical care related to the diagnosis or treatment of such disease, provided a duly licensed practitioner of medicine in Alabama authorizes such diagnosis and treatment

Alabama Code 22-11A-19

- The consent of the minor shall be as valid and binding as if the minor had achieved his or her majority, as the case may be
- Minor 12 years or older may consent to medical treatment for sexually transmitted disease; medical care provider may inform parent or guardian
- Such consent shall not be voidable nor subject to later disaffirmance because of minority

Alabama Code 22-11A-19

- The medical provider or facility of whatever description providing diagnostic procedures or treatment to a minor patient who has come into contact with any designated sexually transmitted disease, may, but shall not be obligated to, inform the parent, parents or guardian of any such minor as to the treatment given or needed

Frequently Asked Questions

- Receiving more PHI than requested
- Law enforcement exception
- Subpoenas and authorizations to release PHI
- Faxing PHI
- Access to minor records after minor consents for services
- Disclosures between Alabama County Health Departments
