Facilities with less than 50 cases a year and abstract via Web Plus should follow the schedule chart below.

DATE(S) OF DIAGNOSIS	*CASE FINDING INFORMATION DUE	ABSTRACT DUE
Jan, Feb, Mar 2024	April 30, 2025	July 31, 2025
Apr, May, Jun 2024	July 31, 2025	October 31, 2025
July, Aug, Sep 2024	October 31, 2025	January 31, 2026
Oct, Nov, Dec 2024	January 31, 2026	April 30, 2026

* Case finding information should include path reports, disease index, X-rays/Scans, etc.

After the ASCR case finding auditor reviews that information, a list of reportable cases will be sent back to facilities within one month. The reportable cases should be entered in Web Plus before abstract due date.

The reportable case list should be generated by the CF auditor and returned to the hospitals on or before the date due.
