PEDIATRIC ASTHMA ECHO OPPORTUNITY

*Providers are cordially invited to participate in the Pediatric Asthma Care Coordination ECHO program, funded through HRSA.

ECHO is a tele-mentoring program that uses videoconferencing technology to combine brief didactic presentations with interactive and practical case presentations from participants

*Physicians, PAs, NPs, LPNs, Respiratory Therapists, School Nurses

This ECHO series will include the following topics and dates:

- 9/5 - From Guidelines to Practice: Advances in Asthma Management
- 9/17- School Nurses on the Frontline: Tackling Asthma Challenges Together
- 10/3 - Clearing the Air: Vaping, Asthma, and Student Safety
- 10/15 - Bridging the Gap: Transitioning Asthma Care from Childhood to Adulthood
- 11/7 Breathing Better Together: Community Health Workers Supporting Asthma Care
- 11/19 Tiny Tastebuds, Big Reactions: Navigating pediatric food allergy in the community

Benefits

- No cost to you or your facility
- No cost to you continuing medical education (CME) credits*
- The opportunity to present your tough cases and receive feedback from a multidisciplinary team of specialists and your peers
- Share and learn with other clinicians, practices, and a multidisciplinary team of specialists
- Open access to all references and resources
- Open to md, pa, np, rn, lps, respiratory therapists, school nurses and anyone with interest in pediatric asthma care

Sessions will occur the first Friday and third Wednesday of each month from 12:15pm-1pm.

Scan the QR code or email ljames2@uab.edu to get access to the program.
