

# TECHNICAL BULLETIN

Bureau of Clinical Laboratories, Sharon P. Massingale, Ph.D., HCLD/CC (ABB) Director

February 12, 2026

Volume XXVI Issue 2

## ATTENTION ALL PROVIDERS

### Updated Analyte List and Measles Testing

- The *BCL Analyte List*, including specimen requirements such as shipping temperatures, container type, centrifugation requirements, and holding time, has been updated.
- The updated analyte list can be found on our website at [www.alabamapublichealth.gov/bcl](http://www.alabamapublichealth.gov/bcl) under "The Analytes".
- ★ The BCL has expanded its testing menu and now offers PCR testing for the measles virus.
  - ★ Ordering, specimen collection, and submission instructions are available in the updated analyte list linked above.
