TECHNICAL BULLETIN

Bureau of Clinical Laboratories, Sharon P. Massingale, Ph.D., HCLD/CC (ABB) Director

January 9, 2025 Volume XXV Issue 1

ATTENTION ALL PROVIDERS

Prattville State Laboratory Closed

- The National Weather Service is predicting a "wintry mix" of sleet, snow, and freezing rain which will lead to hazardous travel conditions for many Alabama counties on Friday, 1/10/2025. The Governor has declared a state of emergency and closed all state offices in the following counties to include the county where the BCL is located.

Bibb	Colbert	Jackson	Madison	Talladega
Blount	Coosa	Jefferson	Marion	Tallapoosa
Calhoun	Cullman	Lamar	Marshall	Tuscaloosa
Chambers	Dekalb	Lauderdale	Morgan	Walker
Cherokee	Elmore	Lawrence	Pickens	Winston
Chilton	Etowah	Lee	Randolph	
Clay	Fayette	Limestone	Shelby	
Cleburne	Franklin	Macon	St. Clair	

- Because of these closures, Wiregrass Courier will not service these county health departments for specimen/handmail pickup on Friday, 1/10/25. These locations should not put specimens/handmail out for pickup on Friday. Barring changes in predicted winter storm patterns, normal service is expected to resume on Monday, 1/13/2025.
