

ADEM/ADPH Cleaner and Greener 30 Sec PSA

Alabama can benefit from cleaner.

And...Alabama can benefit from greener.

A healthy and productive environment helps everyone.

A clean environment promotes better health and wellness.

A.D.P.H. and ADEM are working together to promote “no littering and no dumping” to keep Alabama’s waterways clean.

That said, we’re asking you to help out and do your part.

Please don’t litter.

This message is brought to you by the Alabama Department of Environmental Management, the Alabama Department of Public Health, and this station.
