

### **Flu Vaccine 30 Sec PSA**

The winter months are fast approaching – and with cooler weather and holiday celebrations comes the dreaded cold and flu season.

Even if you feel healthy and have never had the flu before, you could still get it. Why risk getting sick and passing the bug along to those you love? Get a flu shot this week so you can get protected!

For more information, visit our website at [Alabama-Public-Health-dot-gov](http://Alabama-Public-Health-dot-gov) or visit [vaccines.gov](http://vaccines.gov) to find a location to get your vaccine.
