

National Preparedness Month 30 Sec PSA

When it comes to the threat of a tornado, hurricane, flood, or strong thunderstorms, you want to be sure that you and your loved ones are ready.

September is National Preparedness Month, and there are some things you can do to prepare before disaster strikes.

Review your insurance policies and make sure all valuables are covered. Have an evacuation plan. Download city and state apps for emergency alerts and updates.

Preparing for a natural disaster today can save you from devastation tomorrow.

This is brought to you by the Alabama Department of Public Health and this station.
