Symptoms? Get Tested! 30 Sec PSA

Hello! I am Vickie Moore, Executive Director of the Alabama Conference of Black Mayors.

You do not need to have a fever to get tested for COVID-19. If you have a new cough or shortness of breath, please call your health care provider or 1-888-264-2256.

If you have two or more of the following symptoms: fever, chills, repeated shaking and chills, headaches, sore throat, new loss of taste or smell, please get tested!

For more information, contact: Brandon Vaughn
