Claudia Hardy is looking for a community health educator in Bullock County – part-time remote work.

Casey opened the voting for ACCCC Vice-Chair. Nominees: Heather Adams and Dr. Dina Avery

### Committee Updates

Dina Avery – Early Detection – Worked on Colon Cancer Awareness in March. Planning a webinar for breast cancer awareness in October

Chelsea – Prevention – committee meeting in next few weeks

Jennifer – Survivorship – Survivorship Month was in June; Worked with This is Alabama on videos to highlight survivorship; Videos sponsored by Comprehensive Cancer Control Program

Mary – Access to Care – Pre-Covid focus on supporting ACS Road to Recovery. Will meet soon.

Angela Davis mentioned statistics are showing that cancer mortality will increase over time due to COVID's impact on screenings and decreasing rates of cancer screening in 2020. ACCCC will investigate a potential project focused on promoting screening regardless of COVID. All four committees may unite behind this project, considering current reduced capacity everyone is facing.

Presentation: Cancer and COVID-19 - Dr. Gaurav Goyal - Asst. Professor, UAB- lymphoma expert

Presentation: Population Health Assessment in Alabama - Dr. Wendy Demark-Wahnefried, UAB
