Request to Modify Documents

(By DIS Staff)

All requests made by a DIS staff to modify a document in CureMD must be approved by Anthony Merriweather, STD Director. The workflow for modifying a document is as follows:

- Send request to modify document to Anthony Merriweather via email. Indicate reason for modification
- cc the request to your immediate supervisor and Kaye Melnick, Chief Nursing Officer

Note: It is preferred that the person requesting a deletion in the EHR append the note after the deletion is made to indicate why the request was made. This will serve as documentation in the event of an audit and medicolegal reasons.

Scanners

All Clinics are responsible for ordering scanners for medications. The Zebra DS2208 handheld scanner can be ordered through AIDB. To place an order contact Liz Curry at 256-493-6845.
