

Spanish for Healthcare Professionals

Fall 2025

September 9-December 17, 2025

Designed for those who intend to or currently work in medical fields, social work, emergency services, etc., who would like some basic Spanish to facilitate communication with patients/clients and their families. *No background in Spanish needed.* Cost of the course is \$350 per person per semester, but materials are free. Contact your employer about the possibility of reimbursement.

To register, go to this website and click "Enroll Yourself."
